

Moeketsi Mpotu: Bio (Updated & Prioritized)

Founder and Chairman of Botala Oracle Group

Chairman of the Mpumalanga Stainless Initiative

Director at the Steve Tshwete Local Municipality Solidarity Board

Non-Executive Director at Brimis Engineering

Past President of the Middelburg Chamber of Commerce and Industry

Managing Member of Ukhamba Industrial Park

Technical Director at Lismar Industrial Safety

Moeketsi Mpotu is the Founder and Chairman of Botala Oracle Group, a strategic leadership role through which he drives enterprise development, industrial innovation, and infrastructure-focused business growth.

He also serves as Chairman of the Mpumalanga Stainless Initiative (MSI), leading collaborative industrial development programmes aimed at strengthening regional manufacturing competitiveness.

Moeketsi is a Director at the Steve Tshwete Local Municipality Solidarity Board, where he contributes to governance, community upliftment, and economic resilience initiatives.

As a Non-Executive Director at Brimis Engineering, he provides strategic oversight, governance direction, and executive support on major engineering and maintenance programmes.

He is the Past President of the Middelburg Chamber of Commerce and Industry (MCCI), where he led business advocacy, stakeholder alignment, and trade facilitation for local enterprises.

Moeketsi currently serves as a board member and director of the South African Chamber of Commerce and Industry

Moeketsi also serves as the Technical Director at Lismar Industrial Safety, offering technical leadership, quality assurance expertise, and engineering oversight.

Recognised across the engineering field, he regularly contributes thought-leadership commentary to Engineering News and Mining Weekly.

Additionally, he serves in an advisory capacity to various diplomatic missions on bilateral trade matters involving South African businesses under the South African Chamber of Commerce and Industry.

He remains committed to youth development and volunteers as a maths and science tutor for Grade 10 and 11 learners on Saturdays.
