

**COLUMBUS  
STAINLESS**

[Pty] Ltd

A Subsidiary of ACERINOX, S.A.

## **Riaan Van Coller** **Chief Operating Officer**

Riaan was born on 29 June 1975. He is an Industrial Engineer, BTech (Eng) (Industrial) - *Cum Laude* and completed his Management Development Programme in 2008. Riaan joined Columbus in 1996 at Finishing Products, Plate Department. He has held different positions in the manufacturing operation, from where he was promoted to Business Unit Manager - Finish Products and Plate in 2010. He also assumed responsibility for Cold Mill since 2014. In 2018 he was promoted to General Manager Manufacturing. On 1 November 2025 Riaan is appointed as COO.

He's main responsibilities are to oversee daily manufacturing operations of the business, pursue targeted goals & objectives, ensure the creation and implementation of a strategy to grow the business and communicates results to the business and employees. He evaluates and decides upon key investments in equipment, infrastructure and talent.

Riaan serves as a Trustee of the Alliance Midmed Medical Aid, Board Member of Middelburg Chamber of Commerce and a member of the Employment Equity Steering Committee.
